

August 23, 2021

Dear Friends,

At approximately 8:29am(EST) a 7.2 magnitude Earthquake rocked the Island of Haiti and caused massive destruction and loss of life.

NJ for Haiti in collaboration with United Way of Greater Union County and NHAEON have been meeting and working nonstop alongside many of our dedicated leaders here in New Jersey to lead a strategic and unified effort to provide aid to our people of Haiti.

The NJ for Haiti team has a long-documented history of supporting the people of Haiti via a grassroots/hands on approach and thus has garnered the support of the Haitian community to lead this effort in our state.

Many of you have expressed an outpouring of support and willingness to donate and/or volunteer to the relief efforts. At this time we are asking for your financial support which will provide immediate relief to the people who have been impacted the most.

The link below and in our bio will provide a safe and secure mechanism to be a part of the cause.

DONATION LINK: tinyurl.com/haitidisasterrelieffort

Time is of the essence and please remember that no donation is too small and will collectively help the overall mission.

Please visit our website for more information and updates <https://www.nj4haiti.org/>

In regards to supplies and materials we are only soliciting certain supplies and medicine to support this endeavor. Our team will include doctors, surgeons, nurses, and support staff to ensure we meet the needs. ***Please see the attached document for a list of medical supplies needed.***

We thank you in advance for your time and attention during this crucial time in Haiti.

NJ 4 Haiti is a collection of government agencies, non-profit organizations, faith-based agencies, businesses, and citizens dedicated to providing relief and assistance to the victims of disaster and those in need.

The United Way of Greater Union County serves as our fiscal agent. For more information, please email us at nj4haiti@gmail.com or call (908) 248-4794.

Thank you ,

NJ4HAITI TEAM
